1 Glossary of Terms

| Term | Description |
|-----------------|---|
| C Code | The financial entity's identification number that is used for the Portal |
| Central Bank | The Central Bank of Ireland |
| DORA | Digital Operational Resilience Act (DORA) (<u>Regulation (EU)</u> 2022/2554) |
| EBA | European Banking Authority |
| ESAs | European Supervisory Authorities |
| EU-ID | European Union Identification Number |
| ІСТ | Information and Communication Technology |
| LEI | Legal Entity Identifier |
| Portal | The Central Bank of Ireland Portal used to submit Register of Information returns <u>here</u> |

2 Checklist

Financial entities subject to the Digital Operational Resilience Act (DORA) (<u>Regulation (EU) 2022/2554</u>) are required to submit Registers of Information in relation to all contractual arrangements on the use of ICT services provided by ICT third-party service providers, which they maintain in accordance with Article 28(3) of DORA.

When submitting a DORA Register of Information return on the Central Bank of Ireland (Central Bank) Portal, the following checklist may be of assistance.

- Registers of Information should be submitted via the Portal during the window specified on the <u>DORA Reporting Registers of Information</u> <u>page</u> for 2025. (This will change in 2026 and updates will be issued prior to same).
- The financial entity has followed the <u>Implementing Technical Standard</u> on the Register of Information¹, including subsequent clarifications via the ESAs Registers FAQ (available via the EBA register preparation site linked below) and the ESA <u>DORA QAs</u>.
- The financial entity has reviewed and understands the information on the <u>EBA website</u> regarding preparations for reporting of DORA Registers of Information, in particular the slides on <u>preparing the</u> <u>reporting package</u> might help you.
- The file type to be used by financial entities is a 'plain-csv' (xBRL OIM-CSV) file in accordance with EBA taxonomy 4.0. In this regard, financial entities are strongly encouraged to review the above link to the EBA website on how to prepare the Registers of Information.
- The name of the ZIP file (.zip) file adheres to the naming convention outlined in section 5.2 of this document.
- The financial entity submitting a Register of Information return has a valid LEI code.
- The financial entity has reviewed sections 5.3 (Correct Format) and 5.4 (Common Issues) of this document before submitting a query to the Central Bank.
- The ICT third-party service providers listed in the Registers of Information have valid LEI codes or EU-IDs in order for the returns to pass validation, along with meeting the other requirements mentioned above unless otherwise advised in ESA FAQs or DORA QAs.

¹Commission Implementing Regulation (EU) 2024/2956

- The users responsible for submitting, finalising and signing off the Registers of Information have the necessary access permissions to submit the DORA Register of Information on the Portal. <u>Please see</u> <u>here for more details on Portal user permissions.</u>
- In the event that the financial entity's or Central Bank's systems are unavailable, or if experiencing technical issues with the Portal, please email <u>onlinereturns@centralbank.ie</u> or call 01 224 4545. If unable to submit Register of Information return, please contact the relevant supervisory team in the Central Bank using existing communication channels. Once any technical/operational issues have been resolved, the expectation is that the Register of Information return will be submitted on the Portal as soon as practicable.

3 Overview

3.1 Purpose of this Guide

Financial entities subject to DORA are required to submit Registers of Information in relation to all contractual arrangements on the use of ICT services provided by ICT third-party service providers, which they maintain in accordance with DORA Article 28(3). Registers of Information should be submitted via the Portal on an annual basis.

This document provides systems guidance for financial entities subject to DORA in relation to submitting Registers of Information on the Portal.

The information contained in this guidance applies to financial entities in scope of DORA, where the Central Bank is the designated competent authority, and should be read in combination with other relevant documentation and legislative texts concerning DORA Registers of Information.

In this guidance, examples of successful and unsuccessful submission of Registers of Information on the Portal are provided.

It is the responsibility of the financial entity's administrator to manage user access on the Portal. For users not familiar with the Portal, information and related guidance documents are available on the Central Bank's website <u>here</u>.

4 System Information

4.1 Inactivity

A Portal login session times out after eight hours of inactivity, at which point the user is required to login again. When the user is finished using the Portal, it is recommended that the user exits the system using the logout link under "*Account Settings*" in the top right corner of the screen.

4.2 Internet Browser

As explained in the <u>Browser Support Section</u> of the Portal webpage, the Portal should work with any modern, standards-based browser. The Central Bank does not require, or recommend, any particular browser as the Central Bank's websites and public-facing applications support the current versions of all major browsers. Testing is concentrated on the most commonly used browsers. At this time, this specifically includes Chrome and Edge.

4.3 Logging On

The <u>Getting Started</u> Help section of the Portal's webpage provides information on how to register for and login to the Portal.

4.4 Uploading Attachments

The type of document that may be uploaded is described in the "<u>Messaging</u>" section of the Portal.

Please note the system supports up to a maximum size of 30MB per file uploaded.

4.5 User Permissions

Please note users must have sufficient permissions to submit/finalise and sign off a Register of Information.

If you are currently a portal user and do not have the relevant permissions, please contact your institution's Portal administrator.

You can reach out to your institution's Portal administrator off-system or via the functionality in the Portal, which allows you to request a change of permissions on the system, as follows:

How do I request a change to my permissions?

Go to "Portal Administration" > "Manage Users" > Select the relevant user > Select "Actions" > "Manage Permissions".

| | Banc Ceannais na hÉireann Central Bank of Ireland Israyren | | | | | | | | | Q, | ¢0 | JJ MoltProposer Administrator | • |

Scroll to the bottom of the page and locate "ONR Returns". From this section, "None", "Viewer", "Editor", "Verifier" or "Editor & Verifier" access can be chosen.

| ONR Returns | | | | | | |
|-----------------|------|--------|--------|----------|-------------------|----------------------------------|
| | None | Viewer | Editor | Verifier | Editor & Verifier | Administrator / Manage Access |
| All ONR Returns | 0 | 0 | 0 | 0 | 0 | • |

- None Cannot see the return.
- Viewer Can see the return but cannot upload, finalise or sign off.
- Editor Can upload and finalise but cannot sign off.
- Verifier Cannot upload or finalise, can sign off.
- Editor & Verifier Can upload, finalise and sign off but cannot sign off a return they finalised.

If you cannot see the Returns tab, please note the below:

Portal administrators should activate their permissions via the Portal administrator tab. The Portal administrator receives automatic access to all return/report types, however in the scenario where the *"View/Edit"* option is not displayed, the following action should be taken:

Go to "Portal Administration" > "Manage Users" > Select the relevant user > Select "Actions" > "Manage Permissions" > Scroll to the bottom of the permission page and select "Save". Once saved, best practice is to clear the browser history and to log in again. The "Returns" menu item should then appear.

4.6 Messaging

On the Portal, the user/delegate from your financial entity should receive a reminder message to submit the Register of Information. Please note if the message is not received there is still an obligation for the financial entity to submit the Register of Information annually. Registers of Information should be submitted via the Portal during the window specified on the Central Bank's <u>DORA Reporting Registers of</u> <u>Information page</u>.

"Dear Sir, Madam,

Please note that the {ReturnTypeName}, for the institution {InstitutionIdentifier}, for the reporting period {ReportingDate} must be submitted via the Central Bank of Ireland Portal by {DueDate}.

Regards,

The Central Bank of Ireland"

The above is a sample of an automatically generated email from the Portal, which can be found in the *"messages"* drop down menu highlighted below.

When you open the message from the Central Bank, an acknowledgement request will pop up.

By clicking "Ok", an acknowledgement will be sent to the Central Bank. Do not reply to this message as this will not be monitored. Any further queries should be sent through the usual support channels. Once you have received a request from the Central Bank through the Portal for a submission, you can navigate to the "*Returns*" View/Edit Returns tab to submit your Register of Information.

5 How to submit a Register of Information

5.1 Navigating the DORA Registers Load File Screen

To submit a Register of Information, the user logs in to the Portal with their user details, navigates to the "*Returns*" tab and clicks "*View / Edit Returns*". The return is located under the "*DORA Registers*" heading.

| 0 | Help 🗹 | < | Please note the following: 1) The file must be named according to the naming convention above <u>before being uploaded</u> . | |
| | | 2 | Load File Cancel | |
| | | | | Guidance Material |

The "Load a File screen" allows the user to submit a Register of Information return to the Central Bank.

The elements of the Load a File screen above are as follows:

1. Choose File

Pressing the "*Choose File*" button opens the user's file explorer. From here, the relevant Register of Information file can be selected.

2. Load File

Where the selected file adheres to the naming conventions and appears beside "*Choose File*," click on the "*Load File*" button to load the file.

3. Cancel

Clicking on the "*Cancel*" button returns the user to the Register of Information Portal screen.

5.2 Naming Convention for the Register of Information Return

The register filename must adhere to the following naming convention:

CCCCCC_YYYYMMDD_CBIREGISTERNAME

Where:

CCCCCCC – is the financial entity's C code.

(Note – this is the numerical section of the financial entity's number preceded by "C" and NOT the institution number. Where the institution number is CBI0012345, the C Code will be C12345).

YYYYMMDD - is the reporting date in the format year, month, day.

CBIREGISTERNAME - is the name of the register as outlined in this guide and as displayed on screen when you are loading a return.

| | Banc Ceannais na hÉireann Central Bank of Ireland Eurosystem | | |
|---|--|--|--|
| ~ | | CBI00999001 CRDIV Test Firm 1 | |

| • | Pending Actions < | | On this name, you can load a |
| | Messages < | | File containing 'DORA Register MiFID' data. |
| | Portal Administration | Select a file and click Load Choose File C999001_20250131_DORAREG_MIFID.zip File' to load it to the server: | |
| = | Returns 🗸 | | |
| | View / Edit Returns | The file name must take one of the following format(s): | |
| | Manage Notifications | A ZIP file (zip) with naming convention CCCCCC_YYYYMMDD_DORAREG_MIFID where CCCCCCC is your institution Code and YYYYMMDD is the reporting date | |
| 0 | Help 🗹 🔇 🔇 | Please note the following: 1) The file must be named according to the naming convention above <u>before being uploaded</u> . Load File Cancel | |
| | | | Guidance Material |

5.3 Correct Format

This section is based on guidance which is linked on the Central Bank's website <u>here</u>. Particularly useful is the <u>EBA site</u> in the section on "Preparations for Official Reporting of Registers" which includes slides on how the file should look, including:

This is what the compiled file should look like (example with a test firm C#):

| C999001_20 | 250331_DORAREG_MiFID > C99900 | 01_20250331_DORAREG_MiFID |
|------------|-------------------------------|---------------------------|
| | Name ^ | Туре |
| ه. | META-INF | File folder |
| * | reports | File folder |

The META-INF folder should then contain:

| C999001_202 | 25033 | 1_DORAREG_MiFID | > META-INF | | |
|-------------|-------|-----------------|------------|------------------|-----------|
| | | Name | ^ | Date modified | Туре |
| * | | 🥘 reportPackage | | 30/05/2024 11:17 | JSON File |

And the report folder would look like the following:

| 01_20250331_DORAREG_MiFID > reports | | |
|-------------------------------------|------------------|---|
| Name ^ | Date modified | Туре |

5.4 Common Issues with the Register of Information Format

• Ensure you are using the **current taxonomy 4.0 schema** in the report.json file.

http://www.eba.europa.eu/eu/fr/xbrl/crr/fws/dora/4.0/mod/do ra.json

- Ensure there are **no spaces** in the filename.
- Ensure the date format within the files are correct i.e. YYYY-MM-DD.
- Ensure you have LEI and not CNUM in the parameters.CSV file.
- Ensure you have **rs**: in front of the LEI number in the parameters.CSV file.
- Ensure you have '.CON' or '.IND' after your LEI code in the parameters file.

| entityID | rs:1234567A1XYZSTUV6789 <mark>.IND</mark> |
|------------|---|
| ` " | |

Or

• Ensure there are no **€£\$** symbols in the csv files.

5.5 Submission of a Register of Information on the Portal

There is a three-step process for submitting the Register of Information via the Portal as outlined below. Please note the same user cannot finalise and sign off the upload.

5.5.1 Upload Register of Information

The uploading user must be assigned "*Editor Access*" by their Portal Administrator.

When the register file is chosen from the file explorer, it appears on screen as below.

Select "Load File".

The File Upload Status screen appears as below.

| | Banc Ceannais na hÉireann Central Bank of Ireland Eurosystem | | | | |
|---|--|--------|-------------------------------------|--|--|
| | | C | BI00999001 CF | RDIV Test Firm 1 | |

| | | | | | |
| | | | | | Guidance Material |

Back to "Checklist"

The initial *"File Status"* appears as *"Processing"*. The status progresses through the following stages:

Progressing through these stages is automatic and can be quick, to the extent that they may only appear briefly on screen.

Depending on website traffic volumes, the majority of files should be processed within five minutes.

In some instances, the user will receive a confirmation email detailing the outcome of the submission noting that the file has been accepted with warnings. An example of such a confirmation email is set out below.

The file 'C999001_20250331_DORAREG_MiFID.zip' has been processed. This file has been accepted with warnings.

This is an automatically generated message. Please do not reply to this email.

If the file is processed with warnings, the user can view the warning by completing the following steps:

Go to "*Returns*" > "View/Edit Returns" > select the DORA Register Return > Select "View Uploaded Files" > Select the file.

5.5.2 Finalise Register of Information

The same user, with editor access, must finalise the uploaded Register of Information by clicking on the "*View/Edit Returns*" button.

Click on "Download Excel" to download the Register of Information.

7 EBA Feedback Files

Upon receipt of the Register of Information via the Portal, it is transmitted to the EBA by the Central Bank. Once EBA validation checks have been completed, a feedback file will be sent to the Central Bank supervisor. Please note that if there are further changes required, the Central Bank supervisor will send the feedback results to the financial entity via the Portal Secure Messaging service for the financial entity to make any necessary changes.

8 Making Changes to a Register of Information

Before requesting for an auto unlock the user must have the required permissions.

Go to "Portal Administration" > "Manage Users" > Select the relevant user > Select "Actions" > "Manage Permissions" > Scroll to "Request Changes" > "Unlock Request" and tick the box to assigned the permission to the user. Select "Save". Once saved, best practice is to clear the browser history and to log in again.

If there are changes required after signing off the Register of Information, a user with verifier access can request for an auto unlock of the return.

The user logs in to the Portal with their user details, navigates to the *"Returns"* tab and clicks *"View / Edit Returns"*. The return is located under the *"DORA Registers"* heading.

Complete the form. Instructions are displayed on the top of the screen and mandatory fields are denoted by a red asterisk. The mandatory fields vary depending on the specific request.

Click "*Submit*". The system will automatically unlock the Register of Information and you will be able to submit a new one. Please see section 5.3 above for more information on the submission process.

9 Common Validation Errors

The examples shown thus far in the guide regarding the submission of Registers of Information on the Portal relate to successful submissions.

However, there may be instances where the submission of a Register of Information is rejected, or the user encounters errors when trying to upload a return on the Portal.

In order to avoid common validations errors, it is important to note the following:

1. Ensure the file type used is a 'plain-csv' (xBRL OIM-CSV) file in accordance with EBA taxonomy 4.0. Also ensure that the name of the ZIP file (.zip) file adheres to the naming convention.
