## Introduction

### Background

While the Central Bank of Ireland (Central Bank) works towards launching the Prospectus Portal, the introduction of various pieces of legislation has necessitated establishing a set of interim measures for the submission of prospectus documents to the Central Bank to allow for the capture of new document types and metadata that is to be sent to ESMA. These interim measures will take the form of an email template (Email Template) that should be included in the submission email in addition to the Debt Submission Template and associated documents.

Upon the launch of the Prospectus Portal in Q4 of 2026, the interim measures will no longer be applicable as all relevant metadata and documents will be captured via the Prospectus Portal.

### EUGB

In November 2023, Regulation (EU) 2023/2631 was adopted, establishing the European Green Bonds and optional disclosures for bonds marketed as environmentally sustainable and for sustainability-linked bonds (EUGB Regime).

### Listing Act

In October 2024, Regulation (EU) 2024/2809 was adopted, amending Regulations (EU) 2017/1129, (EU) No 596/2014 and (EU) No 600/2014 to make public capital markets in the Union more attractive for companies and to facilitate access to capital for small and medium-sized enterprises. The Listing Act is being implemented over three phases. Phase 2 came into effect in March 2026 and introduced the EU Follow-on Prospectus and the EU Growth Issuance Prospectus. Phase 3 will come into effect in June 2026 and will include the updated disclosure annexes.

## Commission Delegated Regulations

Two Commission Delegated Regulations (Regulations) have been adopted to supplement the Listing Act. They are as follows:

Commission Delegated Regulation adopted in March 2026 amending Delegated Regulation (EU) 2019/980 as regards the reduced content and the standardised format and sequence of the EU Follow-on prospectus and the EU Growth Issuance Prospectus. The annex to this Regulation details the new disclosure annexes.

Commission Delegated Regulation adopted in May 2026 amending Delegated Regulation (EU) 2019/980 as regards the standardised format and sequence and the streamlined content, scrutiny and approval of the prospectus. The annex to this Regulation details the updated disclosure annexes.
